Two-Bedroom Suite – Niagara-On-The-Lake

This description is provided for users that are using screen-readers or cannot access the 3D Virtual Tour.

The linked Virtual Tour for Niagara Residence Niagara-On-The-Lake Campus shows a staged 'standard' suite. This suite has been decorated to show what it could look like after you move-in.

You enter the suite into the kitchenette. To the right of the entrance is a white fridge and a blue countertop. Above the counter a shelf with a white microwave. This suite also has a cabinet below the countertop and four drawers.

In the corner of the kitchenette is a table and two chairs. The floor is white with blue squares.

To the left of the entrance is a three-piece washroom. There is a stand-up shower, a toilet, and a vanity with mirror and sink.

There are two private bedrooms in this suite.

In the bedroom on the left you'll find a Double XL bed – it's the same width as a double, but as long as a queen-sized bed. There's a shelf with a clothes rack. There's a desk with a chair on wheels, and a dresser with three drawers. On top of the dresser is a TV. On the wall in this suite is a thermostat that will control the temperature for the entire suite.

In the bedroom on the right is also a Double XL bed, a desk with a chair on wheels and a dresser with three drawers. On top of the dresser is also a TV. The closet space in this room is the same as the other bedroom. The floor in both suites is a dark grey carpet.
