

**Niagara College Residence Virtual Tour Written Description.**

Two-Bedroom Suite – Welland

This description is provided for users that are using screen-readers or cannot access the 3D Virtual Tour.

The linked Virtual Tour for Niagara Residence Welland Campus shows a staged 'standard' suite. This suite has been decorated to show what it could look like after you move-in.

You enter the suite into the kitchenette. To the left of the entrance is counter and a sink, on the counter is a microwave. Above the countertop is a shelf that runs the length of the counter. This suite also has two and a half cabinets below the countertop and four drawers.

In the corner of the kitchenette is a table and two chairs. The floor is white, and in the wall in between the doors for the bathroom and the bedroom is a fridge.

To the right of the entrance is a three-piece washroom. There is a stand-up shower, a toilet, and a vanity with mirror and sink.

There are two private bedrooms in this suite.

In the bedroom on the left you'll find a Double XL bed – it's the same width as a double, but as long as a queen-sized bed. There's a small open closet with a clothes rack. There's a desk with a chair on wheels, and a dresser with three drawers. On top of the dresser is a TV.

In the bedroom on the right is also a Double XL bed, a desk with a chair on wheels and a dresser with three drawers. On top of the dresser is also a TV. The closet space in this space is more open than the other bedroom. The floor in both suites is a greyish-blue carpet.

Should you have any questions about this tour, or any residence facilities, please contact the residence directly.
